Praises and thanks are to the God who is Sufficient for a person who seeks His help. And, He guides the one who asks to be guided. And peace be upon Muhammad and His Ahlul-Bait and curses be upon their enemies.

### **Virtuous**

I advise myself and you to be pious, and fear from god who knows all the secrets and that which is evident and he accounts for atoms worth and even less than that. Listen to this Hadith of Imam Ali (A.S):” Allah, Allah about prayers (for sake of Allah take care of prayers) truly this is the best action and a pillar of your religion. Allah, Allah about Zakat (for sake of Allah take care of Zakat) truly it’s extinguish the wrath of god. Allah, Allah about Jihad (for sake of Allah take care of Jihad) with your property, life and your tongue. May Allah help us to wear the clothes of Taqwa, and it is the best of clothes.

### **Coming events**

Congratulations on the birth of your Prophet (P.B.U.H) and his grandchildren, the sixth Imam, Imam Jaffar Al-Sadeq(A.S). We strongly request god to help us follow them and be with them on the Day of Judgment.

Dear audience, Prophet Mohamed is one of the best gifts of god to the human race, and his blessing benefits all of the world and it’s people. Here we want to indicate some of these blessings:

The first one is that he is the respite for nations from punishment. As the holy Quran says:” ***And Allah would not punish them while you (Muhammad) are amongst them, nor will He punish them while they seek (Allah's) Forgiveness***”. So, his existence dispels god’s punishment and bring his blessings.

Secondly, he is the best approach to god, and asking him for intercession is the best way for forgiveness. Allah tells us in The Holy Qur’an: “***O you who believe! Do your duty to Allah and fear Him. Seek the means of approach to Him, and strive hard in His Cause as much as you can. So that you may be successful***”

And one of the best ways for achieving forgiveness and one of the best actions is to love the Holy Prophet and his relatives, as God mentions in the Qur’an: “***No reward do I ask of you for this except to be kind to me for my kinship with you***”

Imam Redha narrates from his fathers until the Prophet: “Imams will be from the descendants of Hussain, everyone who follows them has followed Allah, and whoever disobeys them has disobeyed God. They are the most trustworthy ropes (to Allah) and they are the way to Allah.

God has ordered us to repent and to return to him, and go to the Prophet and seek intercession in the Qur’an: “*If they (hypocrites), when they had been unjust to themselves, had come to you (Muhammad) and begged Allah's Forgiveness, and the Messenger had begged forgiveness for them: indeed, they would have found Allah All-Forgiving (One Who accepts repentance), Most Merciful*”

Thirdly, The Holy Prophet is the rope that leads to Allah, God has ordered the Muslims to hold on to it, he is the axis of unity, the foundation of Brotherhood for the Muslim nation and he is the spiritual father for all the Muslims all over the world.

Unfortunately, the media attempts to weaken the unity between Muslims, they indoctrinate us and they instill hatred between us. The servant of colonization aims to create conflict between different Muslim sects, politicians, who rely on the power of imperialism take advantage of this conflict, so all the Muslims should understand the benefit for Muslims, and brotherhood is required.

Listen to the cries of Muslims in different countries such as; Iraq, Palestine, Afghanistan, Lebanon, Tunisia, Egypt asking you to help them and prophet said: “everyone hears the sound of a Muslim saying: O, Muslim (for help) and doesn’t answer him, he is not a Muslim.

Nowadays Muslims should not speak about differences, and we should not do what will increase the heat of anger between Muslims. Look at your enemies they leave all the differences and they unite to steal and take control of your wealth.

Thanks to God, we hold on to the Qur’an and the Ahlul Bayt (which the Prophet instructed us to do) the most firm, and we invite all the Muslims to follow this command, because in this we have pride and salvation in the both worlds.

We ask God to create unity and brotherhood between Muslims and help us to gather for piety and goodness
